DETAILED ACTION

Allowable Subject Matter

1. The following is an Examiner's Statement of Reasons for Allowance:

The prior art taken alone or in combination failed to teach or suggest "wherein the who/what, why/how and where/when information is input to the system through the secondary interface in a manner that conforms the common database objects to the common data format and operating rule such that why information + how information = where/when information as recited in claim 19.

The prior art taken alone or in combination failed to teach or suggest "wherein said who/what type, why/how and where/when information when processed by the system, according to the operating rule, works so that why information + how information = where/when information, to achieve the purpose of database objects as recited in independent claim 23.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
